All new build and converted properties not mentioned on this list.	All professionals working in the community. Ways in which life after Corona may be improved from life before.

3 questions to pray about:

1. How do you delight in creation and what effect does it have on the decisions you make in life?
2. How do you express your love for all humanity rather than just the people close to you?
3. What can you point to that demonstrates your shared community, not just with other human beings, but with God the creator and his sharing Son?
