

Faith and Climate!

St Mary's Church, Baldock 7.30pm

Tuesday April 26th

Phil Evans, the local representative from Christian Aid, will be speaking about why his faith motivates him to work for the reduction of Climate change and how Christian Aid is active in this vital area

This evening would appeal to anyone who is worried about climate change.

**Wednesday
May 11th**

John Cherry, local farmer, will speak about the major sustainable farming festival **Groundswell**, he runs each year in Weston and the relationship with this and his Christian faith

This evening would appeal to anyone who is interested in sustainable farming practices and local involvement.

Monday June 20th

Lord Deben (John Selwyn Gummer), chair of the Government's Climate Change Committee will speak about his work and the way his faith impacts upon it.

This evening would appeal to anyone who is interested in climate change and international relations.
